

BT50 Datasheet

Bluetooth USB Dongle

Yealink BT50 is a plug-and-play USB Bluetooth dongle that connects your Yealink CP900/CP700 to your PC to ensure a fast and reliable Bluetooth connection. BT50 guarantees a first-rate range of up to 100ft/30m, allowing you to move away freely from your laptop during a call. As for the audio, by incorporating sound quality features into BT50, you can enjoy natural sound even when you are away from your desk. Meanwhile, the music will be streamed in amazing HiFi quality via A2DP.

Key Features

- Compatible with CP900/CP700
- Reliable connection
- Up to 100ft/30m wireless range
- Easy to use
- Plug and play
