

D340P

Smart 2K+ Wired PoE Video Doorbell with Chime

2K+

2K+ (5MP) HD Video

Individuals will be easier to recognize with richer details.

Quality Night Vision

Know who's there in the dark with its infrared LED.

Pre-Motion Recording

Start recording 6s before actual detections happen.

Person Detection

Get alerted only when a person is detected.

Wide Viewing Angle

Cover a large area for more surrounding details.

Preset Voice Message

Have the doorbell speaks for you with preset voice messages.

Power over Ethernet

Get power and network at the same time via one cable.

Two-Way Audio

Live talk with the visitors when you're not at home.

Chime Included

Plug it into the outlet at any room and be confidently alerted.

2K+ Incredible Clarity

At least twice clearer than the 2MP (1080p), 2K+ (5MP) resolution means a sharp, vivid view of your front doorstep.

More Accurate, Less Distracted

Receive instant alerts when a person is detected. You can also set custom motion zones to focus on what really matters.

See a Bigger Picture

With a 180° diagonal view, the doorbell covers a larger monitoring area for more details.

Talk and Listen from Anywhere

With the built-in speaker and mic, you can talk with your visiting friends when you're away or deter intruders.

A Few Seconds, All the Difference

Start recording 6s before receiving an alert. Know what happened before your package was delivered.

Gallery

One App/Client for All Control

Stay connected to your home or business anytime, anywhere.

Privacy in Your Hands

We made it a priority to ensure that your privacy is protected and your data is for your eyes only.

Model	D340P
